

## Product Description

- 100% Pure Handcrafted Organic Virgin Coconut Oil from the Dominican Republic.
- Certified & Guaranteed to be unadulterated & not blended with other additives.
- Unparalleled fresh taste & scent with a clean uniform texture.
- No strong coconut or rancid tones.

## Ingredients

Organic virgin coconut oil with no additives.

## Process and Characteristics

- Cold pressed with a proprietary fast extraction process: from coconut to jar in under 45 minutes.
- Best in class VCO with greater than 51% Lauric Acid and under 0.02% free fatty acid content.
- Our Quality Assurance standards are significantly higher than the Philippine National Standard.
- VCO below 0.015% free fatty acid content is rejected in our process.
- Micro qualitative testing: chemical and sensorial lab analysis done on every liter throughout production.
- Rigorous selection of the ideal organic coconuts to guarantee our consistent high product quality standards.
- Made using renewable & sustainable Bio Mass Energy.
- We are a certified Fair Trade Manufacturer and are very proud to have more than 40 single mothers on our team to help make our product.
